\*The course price, which is the fare displayed on the driver's taximeter for the completed trip. It includes the starting fee, the number of kilometers traveled, and the time spent in the taxi.

\*\*Please note that service prices may change in certain cases, such as when the service requires an exceptionally long trip from the driver or crossing the city border (Rate III).

\*\*\*Fee for entering Balice Airport for trips ending at Balice Airport. For trips starting at the airport, the fee is according to the parking ticket.

A fee for placing and canceling an order may be charged and is equal to the minimum fare value. This applies to placing and canceling an order by the Passenger due to their fault or after 2 minutes from the acceptance of the order and the start of the driver's journey to the initial address, as well as placing and canceling an order due to the Passenger's fault after the driver arrives at the initial address and reports waiting for the Passenger (phone call, SMS, or notification in the iTaxi application) or by the driver after reporting waiting for the Passenger and unsuccessfully waiting for more than 10 minutes from arriving at the initial address or from the scheduled time for a pre-booked order. For services provided with a "Guaranteed Price," the waiting time is a maximum of 5 minutes.
